

Product Family	DART™
Reference Number(s)	DART100, DART110, DART140, DART300
Product Type	Mucosal Atomization Device
Materials	Copolyester Polycarbonate K-resin Poly Urethane Polypropylene TPE
Packaging	
Unit Packaging	Individually Packaged
Box Quantity	25
Instructions for Use	Instructions for use with each box eIFU available at www.pulmodyne.com
Device Classification	I
Sterile	No
Shelf Life	3 Years
Disposal Methods	Per Local Established Protocols
Re-Use	Single Patient Use Only

Technical Information				
Product	DART100	DART110	DART140	DART 300
A - Length (mm)	40.64	40.64	40.64	40.64
B - Tip Width (mm)	4.40	4.40	4.40	4.40
C - Width (mm)	19.05	19.05	19.05	19.05
Micron Size (µm)	50	50	50	50
Syringe Included	3mL	1mL	3mL with vial adapter	-
